# NAILS

The face and hair are not the only parts of the body that deserve your constant attention. You should also know how to take care of your nails, since these are the perfect complement to have a good presentation. We demand nails that are at least clean, and no dirt can be seen on them. We prefer that the broadcasters have them naturally filed or with a good manicure. No matter what you prefer, they should always be neat and clean, especially at special app events.

# HAIR

The platform requires broadcasters to have their hair washed and clean. Our agency requires the broadcaster to brush their hair before broadcasting to look presentable to be on camera.

In no case, the hair that looks extremely greasy is allowed, and much less a person who does not brush it, since it does not look pleasant at all.

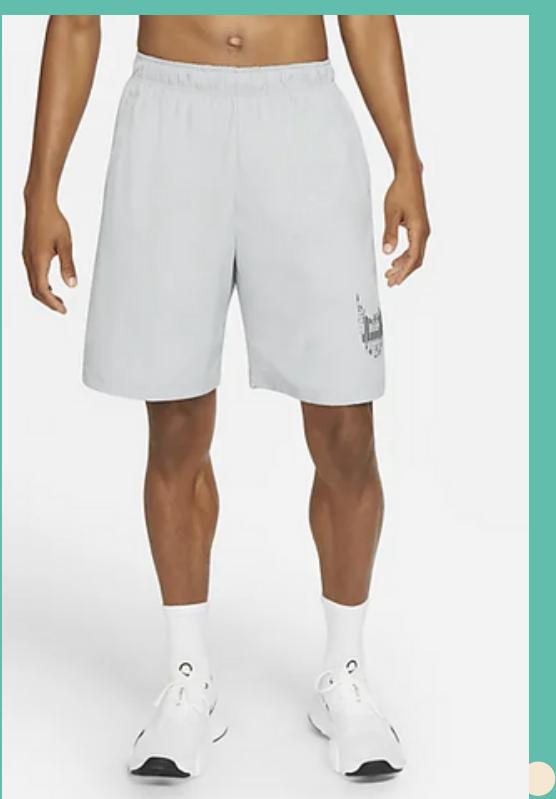

If it is not so clean, tie it up at least. However, you must always have it clean at events.

## SHORTS

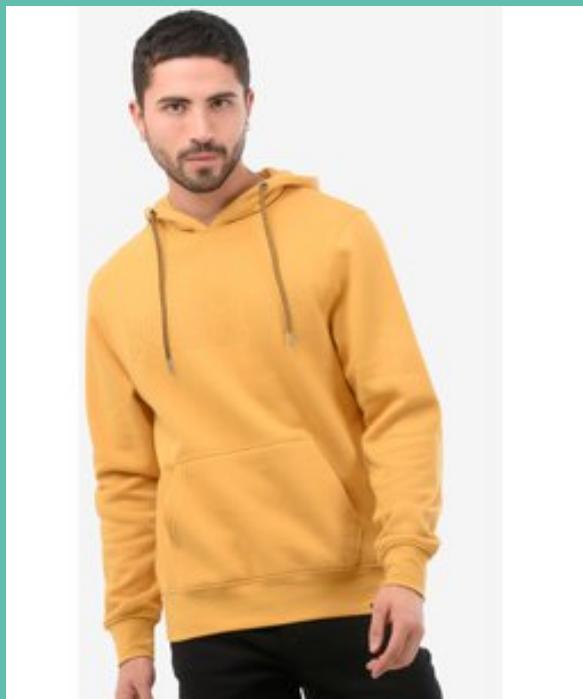

## CLOTHING

**Shorts must not show the butt at any time, and therefore they must not be mini shorts, or extremely short. It must not mark the intimate zone. The belly button should not be seen either, so we recommend a high waist short with blouses or shirts that are not extremely short or cheeky with sweaters or long shirts.**

**The broadcaster must be careful to avoid the bottom-up angle so that their dance or posture, in general, is not obscene.**

**We suggest using the front camera.**

## T-SHIRTS

The shirts must not carry sexual symbols, or symbols of other apps, weed, illegal stuff, Nazis, cigarettes, alcohol, a military that reflects police of any country, racism, violence, weapons, or any other derivative.

Also applies to pants, hoodies, swimsuits, and even pajamas.

You must not wear or have anything in the background that reflects any symbol that may go against the rules of the platform.

**SPORTY**
